Through a peer-to-peer interaction model, the center quickly builds trust and addresses the unique challenges these individuals face.

The center offers a wide range of services and activities, including peer-topeer groups, individual and family rehabilitative activities, access to a Vet Center counselor, a Veteran Service Officer for claims and benefits assistance, a VA Loan Specialist, and representatives from the Texas Workforce Commission.

Heroes Night Out offers various weekly activities, including Donuts & Coffee sessions twice a week. These gatherings often lead to veterans and service members finding a sense of community, employment opportunities, and solutions to their problems.
